- Activities wants to utilize an auction to raise funds in order to throw a pool party for the area this summer. Activities chair wants guidance on how to raise funds for this without breaking traditions. Vice Chair provided experience of homegroups in the past utilizing different fundraising techniques in the past. Another member agreed that it does not break our traditions.
- Chairperson states our area policy states activities can spend \$500 per month, anything over that gets kicked back to area. Offers solution of inquiring about and reserving a date and putting a deposit down for the future pool party.
- PR chair suggested making a motion to approve anything made from auction for the pool party and amend policy to allow it.
- Vice chair tried to contact REBOS about reserving an extra hour for the ASC audit and was not able to make contact with them to approve the request for extra time.
- VRCC asked if the area wants to place a bid for next year's convention. Chairperson would encourage VRCC director to put together a meeting and announce the possibility for placing the bid.
- Motion to extend open forum for 10 minutes
- Activities chair suggested bringing in other areas to help fill committee needed for the convention to take place in Roanoke.
