- **Open Forum**

-Some are not receiving Area Service minutes. Secretary stated "I am sending them to emails in which I can read. Please be clear in your writing so they can be read". Paper was sent around for whoever wanted to write their email again.

-It is stated in policy that home group GSR's are not to serve an Area Service position because of conflict of interest with voting etc...However some smaller groups are not able to withhold this policy. Therefore during Area Service we have had others fill in as a proxy. It was a concern that since it is not in policy to have a proxy should it be allowed.

-Are subcommittees been run to the policy standard? This was a question asked during Area. It was mentioned that H&I was not taking 2 members as is stated in policy. Therefore members of the VA are claiming they do not feel they are able to share during the meetings and that they do not feel a part of NA.

- **Old Business- NONE**

New Business

Motion- To put into policy to have ASC the week after Area Service. **Intent-** Not to have this discussion every year. To have AVCNA before ASC in January.

Next Area Service will be held on February 11, 2018
