Subcommittee Reports

Activities

Activities Committee hosted the event for Halloween it Was well received and well attended. We not only had a dance for addicts we had an event where addicts with children could bring their kids and enjoy fellowship while kids participated in children activities. We are planning a relay meeting for Thanksgiving from 6-1 p.m. on Wednesday the 22nd resuming at 7 a.m. on Thursday (Thanksgiving Day). We are asking for donations of food so that addicts that need food and fellowship will have a place to feel a part of. Beginning balance- \$500.00, Ending balance- \$326.47. Spent \$274.00 and made \$100.00. We fed everyone and while we did not make our money back we feel that it is not the purpose of activities. - In loving service Donna L

RCM

Hi family: The two-day event on October 21st and 22nd at Ramada Inn Roanoke was awesome. We discussed Public relations the dealing with contacts of the jails and institutions a carrying the message of NA to the people inside of these facilities. We are in the beginning stages of starting a pin pal connection that will allow writing to the inmates that want recovery and step work before release; no names just pin names allowed. There is clean trime required to participate in this. The RCM has refunded the area \$300.00 due to the over donations from July. - Loving Service Vanessa H

Open Forum

Question- Why are other groups not participating in area? Out of a total of 21 homegroups 11 represented their homegroups this month. There are people sent out to get an understanding of why and possibly look at each homegroups log. Every group that is printed on meeting list should be present to the best of their ability at each Area Service. We are all supposed to be supporting the Area and vs versa. There is a conflict with this issue.
