

Roanoke Valley Area of Narcotics Anonymous RCM Report to ASC May 12, 2019

Hello Family. I attended the 196th CARNA Regional Service Conference in Fredericksburg, VA on Sunday Apr 28th, 2019. The Region held the GSR Assembly on Saturday, April 27th, 2019. Both events were well attended. The GSR Assembly was a success for both the host and the attendees.

The RSC Opened following the end of Open Forum.

Roll call was done. New members and new attendees were recognized, and the prior minutes were approved with amendments. Administrative and Area Reports were given.

The Region is continuing to work on completely revamping the CARNA web site and have created a web site task force. Just a reminder, Areas can add events to our regional web site by going to <https://car-na.org/submitevent.html>
