H&I (Brittney D.)- H&I subcommittee met twice in the past month. Our current meetings are at Blue Ridge detox and the VA are doing well. We have worked out the details and will be carrying the meetings to the Catawba hospital on the first Sunday of the month at 2.p.m beginning in January. We have been asked to begin a meeting at the Lakeside probation. A member has been doing some research but as always, we need support within the subcommittee to to carry the message into these facilities. If GSRs would continue announcing this in their homegroups the subcommittee would greatly appreciate this.
